

Chattanooga ARMA Sponsorship

Our award-winning ARMA chapter offers you the opportunity to put your company's name, products, and services before the highly targeted audience of records and information management professionals who frequently visit our website and receive our monthly newsletter. The fee for an annual sponsorship is \$300.

Benefits include:

- Recognition as a Chattanooga ARMA sponsor, using logo with company link on Chattanooga ARMA website. The Chattanooga website has won ARMA website of the year in our category the last three years.
- Logo included in monthly newsletters. ARMA Chattanooga Chapter's online newsletter is published nine times per year (monthly from September to June). The newsletter is posted on the Chapter Web Site and electronically distributed to the entire Chapter membership as well as ARMA International Executives.
- Local chapter dues (\$35) waived for one individual from your organization for the sponsorship year. If sponsor already has a chapter membership a \$35 voucher will be provided that may be applied towards local ARMA-sponsored events. ARMA International dues still apply.
